

DISTRICT 112 FOUNDATION

EXCELLENCE IN EDUCATION AWARDS PROGRAM

The District 112 Foundation Excellence in Education Awards Program (Teacher of the Year) celebrates innovative teachers in pursuit of the best possible public education for students in our district. Each year, we recognize these professionals by awarding them grants to support continued innovation in the classroom and celebrate them with a banquet held in their honor.

Community business partners directly support this program by partially underwriting the banquet, funding recognition materials, and providing grant money. These partners receive recognition during the process of nomination, at the celebration itself, and in subsequent communications disseminated throughout the district.

We are pleased to offer you several opportunities to participate in—and sponsor—the District 112 Foundation 2019 Excellence in Education Awards Program.

Sponsor benefits include:

- Get your business in front of all district employees (1,372) and significant portions of the populations of Chaska, Chanhassen, Victoria, and Carver (62,000+ district resident population)
- Have your company name and logo featured on the District 112 Foundation web page, on printed event materials, in targeted electronic communications, and more
- Talk to community members about your company and receive recognition in print and from the podium during the event

ABOUT THE DISTRICT 112 FOUNDATION
